Kinmen, Taiwan | (+886) 0933-731-450 | lkhagvasuren.b@gmail.com

I am a student of the Computer Science and Information Technology Department at a top-tier university in Taiwan, I have developed a deep passion for all things tech-related. With my academic knowledge and practical experience gained through part-time web development work and an internship at a startup company, I am confident in my ability to make a meaningful contribution to any tech team.

Education

BACHELOR | 2026 | NATIONAL QUEMOY UNIVERSITY

Computer Science and Information Engineering

- CS Fundamentals (Computer Architecture, Networks, OS), OOP, Web developing

SPECIAL DEGREE | 2020 | EHLEL ACADEMY

Graphic Design

- Design Fundamentals (Color, Balance), Adobe programs(Ps, Ai, Id, Ae, Pr...)

Skills & Abilities

TECHNICAL

- I possess expertise in CMS and web development, gained through freelance website building and launching a successful news website that generated revenue from ads.

MANAGEMENT

- As the leader of an advanced club established with support from a Civil Engagement project, I worked on initiatives related to leadership development, career advancement, and community engagement. Through this experience, I gained proficiency in project planning and human resource management.

LANGUAGE

- Mongolian (native), English (C1), Chinese (toefl A2)

Experience

WEB DEVELOPER | BRAIST INC | 2023-NOW

- Developed and executed marketing campaigns for prominent brands, utilizing a deep understanding of branding and effective communication strategies.
- Demonstrated expertise in web development by successfully managing the CMS of a website, utilizing JavaScript and PHP to deliver high-quality user experiences and optimize site functionality.

INTERN | FEMTECH SOLUTIONS | 2021.11-2022.09

- I sought mentorship from successful startup founders and CEOs associated with the Founders Institute, honing my skills in branding and web development. This enabled me to contribute to the growth of multiple startups, improve my professional skills, and increase my effectiveness in the industry.
